## July Outing

Story by Rube, Photos by Lifer

Bill Tucker

Our July meet was great!!! On Saturday, July 13, we members of the North Texas Region Cadillac & LaSalle club got together in west Ft. Worth (a region called White Settlement) at the famous and fabulous Angelos Texas Bar B Que to honor one of our members, Bill Tucker who is fighting it out with cancer. We are ever so proud to see our Bill Tucker recuperating so well from all his extensive surgeries. He has been battling cancer for all most a year. So keep in prayers. He will be in rehab now.

We had two outstanding show cars that attracted many lookers and I believe two new members, plus a few members we have not seen in a while. The newly restored, first time driven from Denton was one of our newest members, David Cothren, with his gorgeous 1968 candy red convertible. Gerry and Beverly Terranova came in driving his sporty bronze colored '84 Seville with lots gold trim. Bill Haesslein drove his '68 convertible, Neil Jefferson had his '93 Allante, and Jim and Dara Warren showed off her new 2012 CTS wagon. Bill Levy brought his '06 STS, Bill and Sandie Ische had their 2010 STS out for a ride, and Minnie Bedrick and Rubye Musser arrived in Rubye's '12 SRX.

We then drove down the street to Braums to have an ice cream cone. Ummmm good! Lookers again were hovering around the fine Cadillac cars. Richard Cross and Karen Phillips stopped by. So it was a productive fun day. Please don't miss the next outing on August 10th—Caravan to Ham's Orchard.

## *President's Message*

Hasn't the rain here in Texas been wonderful! Makes us feel so good. Thanks God.

Now I am going to plead and intercede to you all to share your stories of your cars with all the members. Some of you have been in restoration with your cars so share you triumph and your bumps with us. Brag about your car. These things can also help others with their cars. So come on you all share your stories.

Now shine and drive that caddy to the Peach Orchard next month. Be anxious to see you.

We had a nice showing and fun at Angelo's last month. You should have made the effort too.

Now it's time to ready those Caddies for the NTXCLC REGIONAL. You may even win a *trophy*. It is our biggest event besides the Christmas Party for our members. So, watch for the registration form, so we that we can get a head count.

Also know, the REGIONAL meet is also election time. If you feel inclined to help out or take over a position they are all open. So throw you hat in the ring. We would love to see others participate and share your ideas with the members. You are smart business folks.

The Grand National was held in Boston the 31st. I do not think we had anyone going from the club except Duane Medley. However, if you wish to donate an item or money to the CLC Museum project it would be most welcomed.

Keep those Caddies in the limelight to help increase our membership.

## Cowtown Cruisin' for a Cure 2013

### Cowtown Cruisin' for a Cure 2013 September 21, 2013

This is the 12th Annual presentation of this show. The North Texas Region Cadillac & LaSalle Club has reserved a curb for our display. We need your Cadillacs and your LaSalle for this worthwhile show in downtown Ft. Worth. The NTXCLC considers this an important participation, and you get, in return, a t-shirt, a sponsor's goodie bag, and a chance to show that we care.

*Hiley Mazda has Donated their 2nd Mazda Miata (or Equivilant) for raffle this year.*

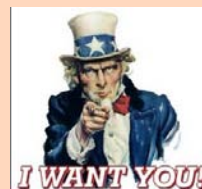

Contact Bill Levy or Neil Jefferson with your registration (\$35.00 early). We need name, address, phone, T shirt size, are you a prostrate survivor Y/N, and car-year and model. Please respond by July 15 if possible so we can track the car count. Space is tight in Ft. Worth and we don't want to miss out.

Note: Many of us have been getting to our spot early and making a fine breakfast get-together as part of the memories of the day.

## MEMBERSHIP REPORT: Bill Haesslein

### Welcome New Members:

Kristen Ashley, Ft. Worth, Texas  
Robert (Bob) Smith, Flower Mound, Texas

There are 17 car clubs that manage the Pate Swap Meet each year. If every member of the North Texas Region Cadillac & LaSalle club recruited just one new member each, we would be the biggest club in the swap meet. Remember, the member count, beside meaning a more fun and interesting club, gets the club a bigger share of the Pate income.
