President's Message

We wish all to have a very Happy and Fruitful 2017. Plus wishing to see many more of you participating in the upcoming activities each month in 2017.

We will have two new members on the Board, so express your wants and desires so that the Board can make the meets and activities more enticing for you to show that Caddy.

North Texas was so proud to participate once again in the "Annual Open Your Trunks—Toys for Tots" at Frank Kent Cadillac. We were all amazed at enormous turnout of toys and bicycles under the beautiful tree in the lobby of Frank Kent

NTX had a light showing of cars seemingly, since the weather was threatening and chilly, but we had a new member brave the weather in his beautiful black 56 Deville Convertible. See the front page. Those that did not show missed a seated table of Jason deli sandwiches. Plus, we gained two new members. Wonderful and Welcome. We challenge each of you to bring in two new members to our great fun loving club in 2017. Membership and each one's participation is the Big Secret to a successful club.

I wish to Thank each Board member for all their hard work and ever giving to make the NTX Club a great one. We must continue to uphold our Outstanding place in National.

Best wishes in the future endeavors of two members that are stepping down from their very important positions. Thank You Jim Warren for your seven years as Vice President. Your hard work, whenever asked, was and is appreciated so very much. We must also thank Tony Yates for convincing him that he should be on the Board. He has been there each and every time he was asked to help with a project, and the latest and hardest has been assistant to the Pate Director. Jim has worked very hard on all projects assigned to him such as buying raffle gifts for the Christmas parties and many other jobs fulfilled to the top notch. He is so willing and giving to the best of his ability. Also thanks to his wife Dara. She made sure he was always there for the President whenever called upon. Thanks millions Jim.

Bill Haesslein, Membership Chairman, has held this difficult office for 11 or 12 years. He took over from Minnie Bedrick who is now our Webmaster. Bill sent every email news bulletin that was sent from the Board to our members at large. Because he is such a guru on the computer, Bill has maintained the roster and all the registration packages for our Regionals, Christmas parties and Interregional meets. He also sent the membership update to National and kept in close touch with the Treasurer with his green envelopes. I could not have operated as President without his assistance many times with emails and calls. He has been very efficient with keeping the membership up to date and all the notifications. Thanks Millions Bill H. You have done a tremendous job for NTXCLC for these many years. We also thank Julia for helping Bill with the packets and odd jobs.

Happy New Year

See you and your Caddy down the road

Love,

Ruby

Membership Report

Welcome New and Renewed Members:

Bruce Lee, Ft. Worth, TX
Patrick Greenhouse, Burleson, TX

There are 16 car clubs that manage the Pate Swap Meet each year. If every member of the North Texas Region Cadillac & LaSalle club recruited just one new member each, we would be the biggest club in the swap meet. Remember, the member count, besides meaning a more fun and interesting club, gets the club a bigger share of the Pate income.

If a member obtains 5 or more new members to the NTXCLC they will receive a free Club Shirt at the annual Christmas dinner.
