### *Pate Swap Meet Setup*

Story and Photos by  
Lifer

It was a warm, sunny, and not too windy day out at the Texas Motor Speedway when the North Texas Region Cadillac & LaSalle club members got together to see up the vendor spaces and road markings for one of the largest swap meets and auto festival in the United States. Expected is a large car show and a national motor cycle meet, making this a very interesting, fun, and for the vendors, rewarding meet.

It takes an enormous effort to set this swap meet up. It is the hard work of 16 different clubs, each participation in a variety of ways, from pre-registration and sales of over 8,000 spaces, security personnel, trash haulers, field markers, parts haulers, and setup teams, who also do the tear down when its over. And more. Vendors are assigned specific spots so the spots must be marked, and re-marked every year. Road and isle signs are temporary, although the names are extensions of real roads on the property, and they must be marked. Since the parking lot is in deep need of resurfacing, and restriping, it makes the NTX club's job harder, but we get it done every year. Wait— this last week in April is also Texas's hardest weather, with winds to blow the markers away, and rains to float away what's left. It is a tough week, for sure, but we have never failed yet.

This year we tried to be a bit more organized with maps and instructions, but as with any all-volunteer groups of people, things have a way of going new direction after the first doughnut box is opened. But, because of the hard work expected and received, we got it done.

Next month, more on the swap meet itself.

The sign pole and signs cart. Poly poles with slots for the signs and threads for screwing into the cement bases.

Richard Cross finishes the assembly of one of 164

Jim Warren and Bill Levy spending a sunny day before setup measuring the unmarked Zone Zero with tape and paint. There are over 1,554 spaces in this zone.

Setup Worker's Fuel

The tile space markers in place. Lots of bending and straitening

Some of the 8,000+ space tiles to be put out today.

Charlie Bross worked on the large space markers.

# Grand National - Las Vegas

Story and photos Bill "Lifer" Levy

Show field at the Suncoast Hotel and Casino

This year's Cadillac & LaSalle Club Grand National meet was a grand event, under sunny and bright blue Las Vegas, Nevada skies with comfortable temperatures and great accommodations at the Suncoast Hotel and Casino. There were 347 CLC members, and with family and guests, 676 were present for the four—day event. We had over 150 cars on the show field for judging and display, Caddys and LaSalle of a wide range of years and models to view and enjoy. Trips that were selected by the Las Vegas Region included a visit to the Atomic Museum, Phil Maloof's collection, The Heinrich collection, the LINQ (formerly the Imperial Hotel) collection, The Mob Museum (formerly the Las Vegas Post Office and Court house), and for the early birds, we all convoyed our Cadillacs out to the desert to be amazed by the Valley of Fire geology formations. The hotel had some amazing restaurants, not to mention the gambling, and some excellent meeting and banquet rooms for the activities. There were a number of NTX members there and for those who missed it—there is always next year in Washington, D.C.

A note from Terry Mann, former head of Crusin'

For The Cure, Ft. Worth, Texas:

As some of you know, I am the Curator of the Vintage Car Museum in Weatherford, Texas. We hope to be open by May 15, 2016.

At this time we are in need of more cars to help fill our Museum. If you feel generous enough to offer the loan of your car for a minimum of 2 months to a max of 6 months, please give me a call @ 817-300-5208 or email , [tmann98337@att.net](mailto:tmann98337@att.net)

We are not needing 100 point cars and we are not looking for "projects." Unique cars, cars with history, cars with a story..

So, if you would check with your members or your own garage, get in touch with me soon.

Thank You! and come out to see us!

Terry Mann  
Curator  
Vintage Car Museum  
817-300-5208

# *Cruisin' For a Cure*

Last year was the largest show and most successful in all of the 14 years of the Ft. Worth shows. There was over 500 cars on the street of downtown Ft. Worth, looking good and supporting a major important cause—prostate cancer.

This year the fee is \$40.00. Entry gates will open at 7:30 a.m. ( Due to construction in the downtown, spaces are reduced and limited.

So, in order to help insure this years show to be a success, we want to get commitments early. The NTXCLC wants one curb on a side street (hopefully empty with no overnight leftovers like last year) with 12 to 14 cars. Last year we had four winners.

Preference is requested that all members of our club that want to participate please register with the NTXCLC club as a unit—that is, by sending Bill Levy your registration (**name, address, car, T-shirt size, and \$40.00—make check payable to NTXCLC**). This must be done by August 1, 2016.

So mark your calendar, write out that check, and lets get in the mail now

April 13, 2016

Mr. Dave Ritchie, President

Cadillac & LaSalle Club

Dear Dave,

The AACCA Museum is inviting GM-oriented antique automobile clubs to join it's next Cuba tour because most of the 60,000 old cars in Cuba were manufactured by GM. We ask that you notify CLC members about this opportunity because traveling in Cuba is becoming more difficult and expensive due to the lack of tourist infrastructure and the overwhelming increase in tourism. Fortunately, the AACCA Museum was able to obtain a block of rooms from October 14 to 22, 2016 and we hope that CLC members will take advantage of this outreach.

Because individual tourist visits to Cuba are not permitted by the U.S. government, the AACCA Museum tour is operated by International Expeditions, which is government licensed to conduct people-to-people tours in Cuba. If CLC members want to see the cars of Cuba, this is the way to do it. An internet search will reveal that no other U.S. Cuba tour is focused on Cuban cars. The tour includes a viewing cars in the Havana antique auto museum, visiting an antique auto restoration shop, judging at a car show and meeting some mechanics in their shops. Of course, touring many of the most important historical, agricultural, and cultural areas is included. The registration deadline is May 30.

I hope you will consider this opportunity favorably. If you do, please forward the information below to Steve Stewart and Peter Garipey as well as to CLC Regions so members can learn about the tour before it sells out. (as did the last three tours). Complete information, including the itinerary and costs, are available through the following link: <http://tinyurl.com/AACA-CUBA>

Members may direct their questions to me at [tonirothman@icloud.com](mailto:tonirothman@icloud.com) or by calling 1-610-246-3525. Or, they may contact Sherry Boyd, Director of Group Tours, International Expeditions, at [sherry.boyd@ietravel.com](mailto:sherry.boyd@ietravel.com) or by calling 1-800-633-4734, ext. 122#

Best personal regards to you and CLC members,  
Toni Rothman

Invite you to participate in the first-ever

# CADILLAC RANCH INTER-REGIONAL

**JUNE 3-4, 2016**  
**Amarillo • Texas**

## Memo

Cadillac & LaSalle Club, Inc.

Regional Vice Presidents

Regional Directors

Good morning.

I have been contacted by Frank Peiler, Publisher of Collectible Automobile magazine. This Collectible Automobile publication is one the finest automotive magazines you need to see. I have had my 1961 Fleetwood featured many times and it is always great to see Cadillacs displaying the CLC window sticker or grille badge in the photos.

We also are given credit as a contact point for Cadillac owners, which increases our membership. Collectible Automobile will publish their October 2016 issue with the primary focus being Cadillac Coupe de Villes. They are looking for these particular years, 1950, 1951, 1962, 1964, and 1969 models to be photographed. They have requested **perfect or near perfect** examples of those years. The article encompasses 1949–1974 Coupe de Villes. If you feel that your Coupe de Ville as listed qualifies to be included in this feature, contact Collectible Automobile directly. They will contact you and make arrangements to meet and photograph your Coupe de Ville. *Help Collectible Automobile, help the CLC be a Star!*

Thanks

Dave Ritchie, President C&LC

## Membership Report By Bill Haesslein

**Welcome New Members:**  
David M. Whitaker, Collyville, TX  
George Mecca, Dallas, TX

There are 16 car clubs that manage the Pate Swap Meet each year. If every member of the North Texas Region Cadillac & LaSalle club recruited just one new member each, we would be the biggest club in the swap meet. Remember, the member count, besides meaning a more fun and interesting club, gets the club a bigger share of the Pate income.

For membership information— Contact Bill Haesslein at [billhsln@airmail.net](mailto:billhsln@airmail.net)
