STRAWN, TEXAS

Story by Rubye Hubbard Musser

Activities: September 2017

Amidst hurricanes Harvey and Irma which was very disastrous, but we are very grateful that we were not included and we wish the victims the grace God has given them to proceed with their lives in the recovery period.

Leo, a 1913 Cadillac owner from Lawton, aided in the aftermath clean up in Spring ,TX.

The NTXCLC had a very memorable day this Sept 9th. We started our drive by meeting at several spots to gather the 13 to start our journey to Willow Park Baptist Church to attend the very touching celebration of life service for Karen Hannah. There several others met us just for the heart rendering memorial; George & Martha Smith, Charles and Sandie Gambolus, Al and Allison Haltiwanger, and many AACA members. We are so sorry that Jim and Judy Hanson endured an over heated Allante and was able not make the trip.

In departing the church .we began a very hurried drive to Strawn, TX to Mary's Cafe for our mouth watering & anticipated chicken fried steak. We had a wonderful visit and celebrated two birthdays with lemon meringue pie. Plus, due to a timing change in our schedule, we missed Robert Broslow & family from Slaton, driving 3 1/2hours to meet us. Before leaving Mary's Cafe , we encountered two possible and perspective Cadillac member, which were given membership forms and newsletters.

So as Virginia and I began our return drive and sightseeing on some back road through Gordan and Mingus, our eyes viewed lots of tress, longhorns, goats ,sheep and cattle. We stopped in Weatherford at the famous Malt Shop .

During the past week we have called members on roster to remind all of the upcoming REGIONAL October 8. Plus nominations are in order for election of officers for the upcoming year. We need volunteers and members to step and fill vacancies on the board.

Why Region Members Must Also Pay National Dues

All members of the North Texas Region Cadillac & LaSalle club are also required to be members of the national club, located in Columbus, Ohio. Each year National CLC sends each member an invoice for payment of the dues. This is separate from the dues paid for local Region membership. Each year we submit a roster of our local members to Columbus to compare and justify National membership.

Why? For one reason, this affords our club special insurance coverage if we are at 100% local and National membership and at a club-sponsored event. Here is an example of what may be covered. Can you imagine paying for this if not covered?

PORSCHE HITS IDAHO CROWD

BOISE, IDAHO» A Porsche plowed into a crowd of spectators at a Boise, Idaho, car show, injuring at least eight in a horrifying scene that saw bystanders scrambling to tend to the injured, authorities and witnesses said.

Police say the driver of the gray Porsche accelerated while leaving the Cars and Coffee event, lost control and ran into the nearby crowd lining a sidewalk. Police say the driver is cooperating in their investigation.

Tom Weekes of Boise attended the event with his 12-year-old son and had just moved a few feet back on the sidewalk when the car lost control.

"My son and I were the last two people he missed," he said. "There was a group of kids to the right of us and he hit every one of them."

This coverage is for members when involved in a club sponsored event. If the club were not covered, it would be the member's expense and not the club's.

Cadillac LaSalle Museum News

Text and Images by Richard Dormois

YOUR CADILLAC LASALLE MUSEUM quartered on the campus of the Gilmore Car Museum at Hickory Corners, Michigan, has now been in operation for three years. THANK YOU to each member of the North Texas Region of the Cadillac La Salle Club for your support as we go forward showcasing our history and our future.

On September 21, 2017, the Museum and Research Center Board of Directors met at the Sheraton Four Points Hotel in Kalamazoo, Michigan, chaired by first term President Bill Anderson of Gambrills, Maryland. Vice President Curator Tim Pawl of West Bloomfield, Michigan, Vice President Administration and Governance, Glenn Brown of Oak Park, Illinois, Treasurer James Verraster of Katonah, New York and Secretary Paul Ayres of Farmington Hills, Michigan were presented commencing their terms of office. Our financial condition is currently sound and continued support is encouraged in order to keep the Museum viable in the future.

Although the agenda contained eight topics, those of particular interest to the membership include Bill Anderson's detailed future strategic planning outline, future board structure and accountability, the establishment of an MRC Office and the future of the proposed Cadillac Raffle. Personnel assignments were made for each of these and reports are expected at the March 2, 2018 Board Meeting in Tampa, Florida. A lot was packed into this meeting and we look forward to a great future moving forward.

Enjoy these images of your Museum and if you haven't visited lately, make the easy drive from Chicago or Detroit. Don't forget to make that tax deductible donation to CLCMRC HENRY KNIGHT, 420 SOUTH GREY ROAD, AUBURN HILLS, MICHIGAN, 48326. BE SAFE

Membership Report

Welcome New and Renewed Members:

Steve Preshow, Dallas, Texas

There are 16 car clubs that manage the Pate Swap Meet each year. If every member of the North Texas Region Cadillac & LaSalle club recruited just one new member each, we would be the biggest club in the swap meet. Remember, the member count, besides meaning a more fun and interesting club, gets the club a bigger share of the Pate income.

If a member obtains 5 or more new members to the NTXCLC they will receive a free Club Shirt at the annual Christmas dinner.
